Rubric: Educ 346 Chapter Presentation Rubric

Chapter Presentation			
	Target 2 pts	Acceptable 1 pts	Unsatisfactory 0 pts
Coverage	Target Chapter section is covered thoroughly and completely; all points were made with relevance for the chapter. Outside supporting material may have been added for more impact.	Acceptable Sufficient information that relate to the chapter and many good points were made.	Unsatisfactory Insufficient coverage of assigned topic. Information does not support the chapter assignment.
Presentation Organization	Target Chapter section was introduced in proper context and followed a logical sequence.	Acceptable Presenter introduced the topic and provided a context for presentation.	Unsatisfactory Information was presented in a disorganized manner. It is difficult to make connections among the ideas presented.
Audience Engagement	Target Presenter engaged the audience from the onset and held an academic conversation, perhaps throwing a few questions to get the audience participating during the session.	Acceptable Presenter tried to engage the audience through one or two survey questions.	Unsatisfactory Presenter failed to engage the audience. Delivery was weak.
Visual Aids	Target Visual aids enhanced the presentation and kept the audience interested.	Acceptable Presentation of facts with some interesting "twists"; and held the audience attention most of the time.	Unsatisfactory Visual aids were of poor quality and/or distracted the audience and were hard to read and understand. Or, no visual aids were used.
Timing	Target Presenter presented within the time limit set.	Acceptable Presenter went beyond the time limit by 1 - 2 minutes.	Unsatisfactory Presenter went beyond the time limit by more than 3 minutes. The presentation dragged at certain points.
